The screenshot shows the DataCamp Learn dashboard for a user named AnLT18. The browser address bar shows <https://app.datacamp.com/learn>. At the top, there's a banner for "RADAR AI" with a "Join us for RADAR: AI Edition" message and a "Save Your Seat" button. Below the banner is a navigation bar with tabs: Home, Learn (selected), Certification, Groups, and DataLab. A search bar is also present. On the left, a sidebar menu lists various sections: Progress, My library, Leaderboard, Assignments, LEARN (expanded), Tracks, Courses, Practice, Assessments, Tutorials, APPLY, Real World Projects, Code Alongs, and Competitions. The main content area shows the user's profile "Hey, AnLT18!" with a "Portfolio 30% complete" indicator. It also displays a "Review" button with a count of 1 and a "Daily Streak" of 0. A message states, "You're enrolled in the Data Literacy Professional track." Below this, a "LEARN" section highlights the course "Understanding ChatGPT" with a progress bar at 0% and a timer for "1 hour to go". A green button labeled "Keep Making Progress" is next to it. Underneath, three action cards are shown: "ASSESS Analytic Fundamentals", "PRACTICE Introduction to Excel", and "APPLY Investigating Netflix Movies". At the bottom, there's a section titled "Pick up where you left off" with a "See All in My Library" link.
