

GUIDE TO ACCESSING LINKEDIN LEARNING

Step 1: Access LinkedIn Learning via the following link: <https://www.linkedin.com/learning-login>

The screenshot shows the LinkedIn Learning login page in a browser's Incognito mode. The address bar displays 'linkedin.com/learning-login'. The page features the LinkedIn Learning logo at the top. Below the logo, the heading 'Sign In' is centered. A message instructs the user to sign in using the same email address as for LinkedIn.com or their organization email. A text input field labeled 'Email' contains the address 'anlt18@fpt.com'. A prominent blue 'Continue' button is positioned below the email field. At the bottom, there are two links: 'Sign in with your library card' and 'New to LinkedIn? Join now'.

Step 2: Enter the password for your personal LinkedIn account (in case your LinkedIn Learning account is linked to your personal LinkedIn. If not linked, you will be immediately redirected to step 3) >> Click “Continue”

The screenshot shows the second step of the LinkedIn Learning login process. The browser's address bar shows a more complex URL. The page displays the LinkedIn Learning logo and the user's email 'anlt18@fpt.com' with a 'Change' link. A message states: 'LinkedIn Learning is connected to your LinkedIn profile, enter your LinkedIn password'. Below this, a password input field is labeled 'Use your LinkedIn password' and includes a 'Show' link. A large blue 'Continue' button is centered below the password field. At the bottom, there is a link for 'Forgot password?'.
